

Notice of Product Discontinuation – RFID BIS S and S Series

Dear Valued Customer,

We would like to express our sincere appreciation for your continued support and patronage of B&PLUS products.

We regret to inform you that we have decided to discontinue the production of the following products due to the discontinuation of dedicated components, which has made it difficult to continue manufacturing these products.

Unfortunately, there are no alternative products available for replacement.

We apologize for any inconvenience this may cause to customers who are currently using the affected products, and we kindly ask for your understanding and continued support of B&PLUS products.

Sincerely,

1. Applicable Products

- All BIS S Series products
- All S Series products

2. Discontinuation Schedule

- Final order acceptance: End of May 2027
 - Final delivery date: End of July 2027
- (Subject to component availability)*

3. Replacement Products

No replacement products are available.

※Please note that the discontinuation date may be moved forward depending on future customer orders and the availability of components. We appreciate your understanding in advance.
