

Number of connected Read/Write head	2CH
Interface	MELSEC-Q
Weight	230g

Number of connected Read/Write head	2CH
Interface	MELSEC-Q
Weight	230g

Type code	S4-Q001
Supply voltage	24V ± 10% (External power supply) / 5V (Sequencer electric supply source)
Current consumption	0.75A / 0.5A
Operating temperature	0...+55°C
Connection with Read/Write head	Directly connection with terminal
Connection with Antenna cable	S7-A001-PU_ / S7-A002-PU_
Connection to host device	Installed in the base unit of Melsec-Q series
Included	CD-ROM

■ Please request the instruction manual for details of the specification.
